Spokesperson at higher management

1.Career Guidance: -

Workshops, Examples, guidance for a successful career, More Career opportunities after Graduation.

2.Social space for Societies and events: -

There is no space for students to hang out or small group gatherings. Especially, when it rains no other options just to go home. So, need a space for small gatherings.

3.Re- open Santander at Llandaff: -

So many students were struggling to get a bank account as they do not have proper addresses due to accommodations issues. Like before we should have a Bank account opening at Santander Hall.

4.Dance Studio: -

Only one Dance studio at Cyncoed and it is always full. For students who want to do dance or practice, there is no proper dance studio at Llandaff, so students need to have one at Llandaff Campus.

5. Student Night party's and Official Trips: -

Now - This is the perfect time to organize student night parties and Official student Trips from the university after a long pandemic and to bring out students from the pandemic make them feel happy.
